POA

General Information

- All hourly bookings are made on-line via Horse Monkey - <https://horsemonkey.com/>.
- Our Birch arena is available to hire from 8am through to the last hour time slot of 5pm.
- Arena Hire charge per hour permits use for a maximum of two horses/ponies.
- Please make sure that all droppings are picked up regularly using the scoops provided.
- Unfortunately, we are not able to offer arena hire for Show Jumping rallies due to the size of the area and we do not hire out our competition Show Jumping fences.
- There may be some pairs of poly jump wings and various jump poles situated next Birch arena. They are a shared resource and although not specifically included in the hire, are available for anyone to use unless they are secured. We make no guarantee of their condition or suitability and hirers use them entirely at their own risk.
- Any equipment used during the hire period is at the responsibility of the hirer to put out and put away. All breakages or damage of the equipment used must be reported to Karen on 01474 888474 or email events@speedgate.co.uk.

If you require any other information or have any special requests, please contact us via events@speedgate.co.uk.
