No other arenas are available for hire unless Arena Familiarisation days have been scheduled.

All bookings are made in advance on-line via Horse Monkey. Bookings close at 5.45am on the day of each arena hire. Bookings are made in thirty-minute time slots, allowing some more flexibility in timings.

Arena Hire charge permits a maximum of two horses/ponies to use the arena. There is an additional £5.00 charge per horse/pony for any extra horses using the arena at the same time. A maximum of four horses/ponies in the arena on the same booking is permitted.

Please make sure that all droppings are picked up regularly using the scoops provided and placed into the Manitou bucket that is situated between the Ash and Birch arenas.

We are not able to offer arena hire for Show Jumping rallies due to the restricted size of the arena.

We do not hire out our competition Show Jumping fences.

There is a small selection of jump wings and various jump poles situated next Birch arena. They are a shared resource and although not specifically included in the hire, are available for anyone to use unless they are secured. We make no guarantee of their condition or suitability and hirers use them entirely at their own risk.

Any equipment used during the hire period are the responsibility of the hirer to put out and put away. All breakages or damage of the equipment used must be reported to Karen on 01474 888474 or email events@speedgate.co.uk
